Legal Ad Department,

I would like to get a ***COST ESTIMATE ONLY*** for the attached draft public notice document. Publication is for one day only in the newspaper, and the minimum number of days for web services.

Since we are a government agency, requests for publication go through an approval process. Once this process is completed, an EPA acquisition specialist will contact your paper with the final version of notice to be published. We normally pay by credit card and require an affidavit of publication.

Thank you.
